Verizon's Cell phone downloading applications blocking capabilities:

The Verizon Wireless Enterprise Global Advisor Team for Navy audits accounts to verify that services are listed on the funding document. If there is no ELIN for the following types of applications, then they will add the block feature. For question regards blocking features, reach out to the Enterprise Global Advisor Team at NAVYFISC@NE.VerizonWireless.com.

- Block Get It Now Downloads
- Block App Downloads
- Block Ringback Tone Downloads
- Block V Cast Music
- Block Video Downloads
- Block VZ Navigator

*** * IMPORTANT NOTE: Some products and services may still be billable if acquired through other means. If the end users do any of the Downloads before the block is added, then they will need to unsubscribe on their handset.**
