

- 1.0 **CALLING CARD SERVICE**  
**(Calling Card Services will not longer be available to new Customers after November 24, 2008).**
- 1.1 Description of Calling Card Service: Calling Card Service is provided to Customers for use when they are away from their established service locations. The Company will issue Calling Cards that allow Customers to make telephone calls (or place additional calls without having to re-dial) by dialing a Company-designated toll-free access number (e.g. 800-NXX-XXXX) and entering a 10-digit account number and a four-digit personal identification number (PIN) prior to dialing the called telephone number.
- 1.1.1 Additional Definitions: Additional applicable definitions may be accessed and viewed under "Additional Definitions."
- 1.2 Calculation of Chargeable Time: Rates are usage sensitive. The minimum for a call is sixty (60) seconds and, thereafter, effective September 30, 2007, the call is billed in sixty (60) second increments. The duration of a call for billing purposes will be rounded to the next higher increment. Fractional cents will be rounded to the next higher cent.
